## Doing Business in Pittsburgh is Easy

Pittsburgh is a popular destination for Canadian companies to establish North American or U.S. headquarters operations. Canada is also an important market for Pittsburgh businesses such as American Eagle, PPG Industries, Wesco and others maintaining hundreds of operations in Canada. You can fly to Toronto and Montreal nonstop and connect to additional Canadian destinations from Pittsburgh International Airport with Air Canada. Is your company looking to establish a business relationship with the region? The Pittsburgh Regional Alliance can help. Contact us today to learn more.
